## How To Make a No-Sew Cat Bed

### Supplies:

Fleece material  
Measuring tape  
Scissors

### Instructions:

1. Take two pieces of fleece measuring 2' x 2'
2. Lay the two pieces one on top of another
3. Cut 1" thick strips along the entire border, cutting through both pieces of fabric at a time
4. Take a strip from the top piece of fabric and tie it to the corresponding strip on the bottom piece
5. Continue to tie all of the strips together
